

SUMMARY OF ANNEX 12: OVERVIEW OF LIBRARY RESOURCES

Universitas Pendidikan Indonesia has an integrated library system that supports academic activities, research, and community service for the entire academic community. This service is managed by the UPI Library and can be accessed through the official website: <https://perpustakaan.upi.edu>

The UPI Library provides various resources, including:

1. Print and digital collections (books, journals, theses, dissertations).
2. Access to national and international databases.
3. Institutional repositories and e-library services.
4. Reading room, circulation services, and online reference services.
