

## **SUMMARY OF ANNEX 15: EVALUATION RESULTS OF STUDENTS AND ALUMNI**

The Universitas Pendidikan Indonesia (UPI) regularly conducts student and alumni satisfaction evaluations as part of its internal quality assurance system.

### **Student Evaluation**

Study programs conduct additional surveys to measure student satisfaction with various aspects of educational services, including:

1. Management
2. Learning facilities and infrastructure
3. Educational staff services
4. Student services

The results of these surveys are summarized in an annual evaluation report and used as a basis for improving services at the program and faculty levels (evidence: [Annual Evaluation Report](#))

### **Alumni Evaluation (Tracer Study)**

The study program also conducts regular tracer studies for alumni, including aspects of satisfaction with the institution during their studies. This data includes alumni perceptions of:

1. Alignment of competencies with the workplace
2. Quality of learning and faculty
3. Facilities and services during studies

The tracer study report serves as a reference for curriculum development, collaboration with industry partners, and strengthening alumni networks (evidence: [Annual Evaluation Report](#))
