

SUMMARY OF ANNEX 7: DIPLOMA SUPPLEMENT

Universitas Pendidikan Indonesia provides official academic documentation in addition to the graduation certificate for each study program in this cluster. The Academic Transcript details the courses taken, credit load, grades, and cumulative GPA, while the Supplement to the Certificate provides a structured summary of the graduate's qualifications, learning outcomes, and achievements beyond the transcript.

The table below presents a list of study programs along with examples of their respective academic transcripts and Supplement to the Certificate.
